CLERK: Read1 LB827

PRESIDENT: Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. President, Senator Barnett will handle the....

PRESIDENT: Alright, Senator Barnett.

SENATOR BARNETT: Mr. President, members of the legislature, this is the bill that we held up because of the penalty section. The Pages at the present time are passing out the penalty section on this reflective material on bicycles that you had the youngsters paying a fine. I think that we are in agreement now that to the penalty should be. Each one of them having been contacted by myself. Senator Moylan he can speak on it but we have asked for this. The penalty section will now give the courts the right or the opportunity to fine these people in violation of this bill or this act money and they can also put these people to work if they are within a certain age and not cost them money they can put them to work after school and they can take the youngsters which are real small, there are provisions in it that they can make them even go to the police station and visit and finding out what the law is about and what happens when they violate the law. I believe that everybody is in agreement with this type of penalty section rather than just a strict monetary section. Many of these small kids couldn't pay. Therefore I would ask that we reject the committee amendments and adopt this amendment that I have passed out to you and the Clerk at this time.

PRESIDENT: Alright, now you have lost the chair in regards to the Kremer amendment. Where does this fit into the bill?

CLERK: The Committee amendments have been adopted, the Kremer amendment is found on page 477 and is pending.

SENATOR BARNETT: I'll have to find 477, I don't know what that is.

PRESIDENT: Senator Kremer, can you give us some help here.

SENATOR KREMER: Well a..a..

SENATOR BARNETT: I would like to move, and Senator Kremer see if this is right, that we strike all of the amendments that have been adopted and accept this new one. That amendment is the penalty section.

PRESIDENT: Senator Kremer.

SENATOR KREMER: The proper procedure would now be to strike all of the amendments and accept the.....

PRESIDENT: And adopt the Barnett Amendment.

SENATOR BARNETT: That is what I am trying to move right now, if that would be in proper order.
